

GTC and user agreements 1-2

1.Scope of application

These general terms and conditions (GTC) apply to all contracts concluded with the Scholz Hausch GbR mentioned below, unless expressly agreed otherwise in writing in individual cases.

2.Reservation

If rooms are reserved in writing or orally without obligation, the option is binding for both contractual partners until the agreed option period has expired. Thereafter, Scholz Hausch GbR freely has back its rooms and options.

3.Conclusion of the accommodation contract

The contract is concluded as soon as the room has been ordered in writing or orally and has been confirmed by Scholz Hausch GbR. He obliges both contracting parties to fulfill the contract, regardless of the duration of the contract.

Reserved rooms confirmed by Scholz Hausch GbR are generally made available from 5 p.m. on the day of arrival and until 11 a.m. on the day of departure, unless another time has been expressly agreed.

4.Payment terms

Unless otherwise expressly agreed in writing, invoices are due for payment immediately upon delivery of the key without any deduction in cash or by bank transfer. The Scholz Hausch GbR can demand prepayment without justification and make any reservation or service that is to be carried out or continued dependent on advance payment, advance part payments or even total advance payments.

5.Late payment

If payment is delayed even with just one invoice, Scholz Hausch GbR is entitled to discontinue the contractual service /supply of rooms for the contractual partner after prior notice and setting a deadline (reminder).

If concluded contracts (fix reservations) are not used or canceled by the contractual partner of Scholz Hausch GbR, although the contractual service was offered by Scholz Hausch GbR, the following is agreed: Cancellation between the 21st and 7th day before the service is provided = 60%, between the 6th and 3rd day 80% and for cancellations within 48 hours before the service to be provided (means before the first booked day) = 100% cancellation fee.

Due date: Immediately after receipt of the invoice.

The agreed cancellation fees are calculated from the first booked day. This fee also applies if the contractual partner only partially cancels the ordered service or does not use the ordered service without canceling it.

The cancellation fees are reduced by the amounts that Scholz Hausch GbR may manage to gain with new orders for that period of time instead of that ordered service/reservation. Reimbursement date: After receipt.

The waste is to be separated into paper waste, plastic, residual waste and organic waste. The caretaker takes care of garbage containers that have become full and old glass and carries out regular disinfection and basic cleaning measures throughout the house. He ensures compliance with the house rules and the cleanliness of public places. He is the direct contact on site for all concerns, questions and for the house technology, but does not take over the tenant's individual cleaning obligations.

In private areas (living rooms), the tenants are responsible for order and cleanliness.

For cleaning your shoes in front of the building and, in the case of heavily soiled clothes, for changing clothes beforehand, the Scholz Hausch GbR and the cleaning staff thanks the tenant.

n.) Rental dishes

The guest is asked to bring their own dishes. Alternatively, the caretaker can borrow a cook set on site for a deposit of € 30 and a set of dinnerware for € 10 per head.

The guest receives a receipt and, against return of this and the intact and washed dishes, his deposit back. If there is no return, they are not washed, damaged, no longer usable (burned-in pots a.s.o.) or incomplete, they will not be taken back and the deposit will be forfeited.

This applies equally if Scholz Hausch GbR has reasonable grounds to assume that the guest threatens to jeopardize security, the smooth running of the business or the good reputation.

In such cases, no claims can be made to Scholz Hausch GbR. Also none that arise for them from points 2. and 3. of these terms and conditions. Any amounts already received in this regard are to be reimbursed by the contractual partner, if so. In such cases, the effectiveness of point 6. here (cancellation) will also lapse.
